READY TO TRAVEL?

Connect with the Living Stone
in addition to the Ancient Stones

KKM Tours enjoys established relationships with respected and experienced Israeli travel companies. We can offer you eye-opening learning experiences, competitive costs and unique ways to learn about both ancient and modern Israel.

KKM Tours proudly offers Bible learning experiences for families, congregations, political delegations, ministries and school groups.

KKM Tours offers the opportunity for your pastor to enjoy learning and growing while being refreshed in the Holy Land as our experienced tour leaders share with your tour group amazing insights into God's Word and God's Land.

KKM Tours knows that many Christian and Jewish women long to better understand God's Word and experience the power of God's Spirit. We offer customized tours for women's groups with special guest teachers and events. We specifically want to honor pastors' wives with special learning and sharing opportunities led by women of God who have walked that same path. These special tours are titled **B'Yachad בייחד** and hosted by Brett Graham, a lover of Israel, a lover of God's Word and a pastor's wife herself.

KKM Tours offers personalized Israel experiences built just for you! Our staff knows the Bible and loves the Bible. Our staff knows the Holy Land and loves the Holy Land. Our staff wants to know you and love you as we introduce you to the beauty and holiness of Israel.

We look forward to your Israel tour!
